

Air Made Solid
Mark Oswood, Wenatchee

“This was the hawk’s way. This way the hawk
Nested a moment on the incredible
Crag of the wind, sitting the air like a rock.”

excerpt from *Hawk’s Way*, by Theodore Olson
(1899 – 1981)

Your chapter rests on air made solid by the time of
volunteers and by the generosity of supporters.

Our once-a-year donation request now fledges in
October. We acknowledge donors twice a year, in
the April and October Phloxes. We list below folks
who made donations from late September 2022 to
mid-March 2023. Donations made after mid-
March will be listed in the October 2023 Phlox.

Please know that every donation is much appreciated, now and always. Thank you.

Larry and Penny Tobiska are “first responders” for donations received.
