

All of Us, of Any Age, Share Being Alive, Now, on This Planet

Mark Oswood, Wenatchee

“Where nature is concerned, familiarity breeds love and knowledge, not contempt.”

Stewart L. Udall, 1920 – 2010  
Secretary of the Interior, 1961 – 1969

Members of this chapter teach and learn, travel and watch, meet and protect, build and share. Donating is a way of sharing. Money is one of the essentials, like oxygen and love.

Our once-a-year donation request fledges in fall. We acknowledge donors twice a year, in the April and October Phloxes. We list below folks who have made donations since early September 2023 through mid-March 2024.

Donations made after mid-March will be listed in the October 2024 Phlox.

Please know that your contributions are much appreciated, now and always. **Thank you.**

Larry and Penny Tobiska are “first responders” for donations received.
