

North Central Washington Audubon Society Field Trips Survey

NCWAS is conducting a survey to find out how we can improve our field trip offerings. If you could please answer any of the questions below, it would be a great help to us. To submit your answers, fold this page into thirds so that our address shows on the outside, affix a stamp, close with tape, and then drop it in the mail. You may also scan or photograph this sheet with your answers and email it as an attachment to ncwaudubon@gmail.com. Thank you!

- 1) Have you ever attended a NCWAS field trip?

- 2) How did you learn about field trips you've attended?

- 3) What could we offer or improve on that would make a field trip more enjoyable or accessible?

- 4) Where would you like to go on a NCWAS field trip? Should we try to plan trips to new locations, former favorites, or a combination?

- 5) Would you consider joining an overnight trip, with an option for camping or staying in a hotel?

- 6) Do you know any potential field trip leaders?

- 7) Would you like to lead a field trip yourself?
